 Written by Mike Mignola and John Arcudi,
 art by Guy Davis, colored by Dave Stewart,
 cover by Kevin Nowlan.

At the turn of the twentieth century, a British museum curator with a bent for the occult traveled east in search of power and immortality. He was never heard from again. In 1937, masked crimefighter The Lobster faced a magic-wielding madman bent on fulfilling an apocalyptic prophecy. The plans were foiled, and the world saved, but the villain himself disappeared... Seventy years later, B.P.R.D. agent Liz Sherman began to experience visions of a mysterious gentleman who warned of coming catastrophes. When the Bureau tracked him down, he disappeared — and kidnapped Liz. Now, Liz's friends race to find her as their old enemies band together for a final, catastrophic attack. The Black Goddess is the second of three arcs pulling together threads from the beginning of the series — and leaving the B.P.R.D. and the world forever changed.

Someone or something is laying down roadtraps for passing motorists. Is it the work of a serial killer? Or is the entire town in on the crime? SCOURGE OF THE GODS

Written by Valrie Mangin, adapted by Paul Benjamin, pencils and covers by Aleka Gaji.

After a thousand years of peace, the Orbis — the Roman Galactic Empire that thought itself almighty — trembles down to its foundations. The Huns, savage warriors that came out of nowhere, are trying to conquer it. King Attila has already pillaged and burned dozens of planets without any legion being able to stop him or even slow him down. And unfortunately for Rome — Kerka, the Hun's goddess of chaos herself — is back. Scourge of the Gods replays the eternal struggle between order and chaos on the galactic level. Halfway between sci-fi and heroic fantasy.

Cadastrando-se no Sistema de Reservas você não tem mais a preocupação de perder as edições do seu quadrinho importado favorito, você assina os títulos que quiser e eles ficam guardados para você até 15 dias!

Reservando lançamentos:

Você tem em mãos o Recado, um informativo que é acompanhado de uma lista de reservas. Para comprar suas revistas basta preencher as informações solicitadas e entregá-las em qualquer loja especializada atendida pela Devir.

O Recado fala de amor, de séries novas e edições especiais importadas que ainda serão publicadas, trazendo para o leitor, informações como sinopses, autores, preços, etc. No Recado normalmente você não vai encontrar séries regulares em andamento (como Avengers, JLA, X-Men etc.) mas você também pode reservá-las. **(veja quadro abaixo)**

A Devir tem um sistema de recebimento semanal de material importado, ou seja, toda semana pode haver algum material de seu interesse sendo distribuído. Por isso mantenha contato com sua livraria ou banca semanalmente, para verificar se já chegou alguma publicação reservada para você.

Prazos e Prioridades:

A sua reserva uma vez entregue à livraria levará até 2 semanas para ser cadastrada e passar a ser exercida.

□ Lembrem-se de que os títulos anunciados aqui, ainda serão lançados nos EUA, a data prevista da chegada de cada título ao Brasil, e conseqüentemente até as mãos dos nossos ansiosos leitores, será informada ao final da descrição de cada título. Na ausência dessa informação, o prazo médio para um lançamento chegar após sua publicação no Recado é de 3 meses.

□ Quando do recebimento insuficiente de exemplares de algum título ou se o número de reservas for maior que a quantidade de revistas, a distribuição dá sempre prioridade à reserva mais antiga, premiando assim, a assiduidade do leitor, impedindo que uma reserva mais nova seja atendida em detrimento de uma mais antiga. A prioridade está relacionada com a data da reserva independentemente do quanto tempo você é cliente da Devir.

Regras Gerais:

□ Todas as revistas reservadas deverão ser retiradas num prazo máximo de 15 dias após a sua distribuição.

□ A não retirada dentro do prazo implicará na exclusão do cliente e de suas reservas.

□ As revistas que já estiverem na loja em seu nome, não podem ser devolvidas, mas você pode excluir ou incluir uma reserva a qualquer momento. O cancelamento leva 1 mês para ser efetivado, logo, mesmo após a solicitação, você possivelmente ainda receberá mais um exemplar da revista. Isso acontece porque as reservas são feitas com 3 meses de antecedência.

□ Reservas de novidades só serão consideradas após sua publicação no Recado.

Números Atrasados e Edições Especiais:

□ Números atrasados quando disponíveis serão oferecidos através de listas.

□ Graphic Novels e edições encadernadas (TPs) já distribuídas também podem ser solicitadas, mas neste caso duas coisas podem acontecer:

1- Se as edições constarem de nosso estoque, a solicitação será atendida rapidamente.

2- Se elas não estiverem em estoque, mas estiverem disponíveis nas editoras, a solicitação será feita e o pedido continuará em nosso cadastro por um prazo de até 6 meses, aguardando um possível re-entrio.

Reservando Quadrinhos Mensais:

De quando em quando você vai encontrar aqui uma lista atualizada dos principais títulos de quadrinhos publicados periodicamente nos EUA. Através dela você pode reservar suas revistas favoritas.

Na ausência desta lista, as reservas poderão ser feitas também através de e-mail, informando o título e a editora, e os seus dados completos (inclusive loja para recebimento) As reservas destes quadrinhos seguem as mesmas regras explicadas na primeira parte desta lista, com a diferença de que a grande maioria dos títulos mensais deverá ser atendida já no primeiro mês a partir da data da reserva.

No entanto, no caso de títulos cuja procura crescer muito rapidamente, pode haver uma espera de até 2 meses antes que a reserva seja atendida.
