Cadastrando-se no Sistema de Reservas você não tem mais a preocupação de perder as edições do seu quadrinho importado favorito, você assina os títulos que quiser e eles ficam guardados para você até 15 dias!

Reservando lançamentos:

O Recado fala de amor, de séries novas e edições especiais importadas que ainda serão publicadas, trazendo informações como sinopses, autores, preços, etc. No Recado normalmente você não vai encontrar séries regulares em andamento (como Avengers, JLA, X-Men etc.) mas você também pode reservá-las. **(veja abaixo)**

A Devir tem um sistema de recebimento mensal de material importado, ou seja, todo mês pode haver algum material de seu interesse sendo distribuído. Por isso mantenha contato com sua livraria ou banca sempre, para verificar se já chegou alguma publicação reservada para você.

Reservando títulos mensais:

As reservas de revistas mensais que não constam no Recado, poderão ser feitas também através de e-mail, informando o título e a editora, e os seus dados completos de cliente (inclusive loja para recebimento)

As reservas destes quadrinhos seguem as mesmas regras (veja link sobre o Sistema de reservas), com a diferença de que a grande maioria dos títulos mensais deverá ser atendida já no primeiro mês a partir da data da reserva. No caso de títulos cuja procura crescer muito rapidamente, pode haver uma espera de até 2 meses antes que a reserva seja atendida.
